California Real Estate continues to be an integral component of the marketing strategy of American Home Shield. As California's oldest and largest provider of home warranty plans and other risk management services for REALTORS®, American Home Shield depends on the wide circulation of *California Real Estate* magazine to assist in our communication efforts. Keep up the great work and thank you!

- American Home Shield

The editorial content in *California Real Estate* is comprehensive and local. It represents the spirit of California and its real estate community.

- Bank of America

First American is proud to be associated with *California Real Estate* magazine. California REALTORS® are crucial to us, and our 170 offices and agents throughout the state reach them through *California Real Estate* magazine.

- First American Title Insurance Company

We have advertised consistently in your magazine for more than 10 years. In that time the company has grown considerably, and we are sure that some portion of our growth can be attributed to our constant advertising presence in your magazine. We look forward to our continued relationship and many more years of advertising in *California Real Estate*.
