Why Support RAF?

THE GOOD:

AVOIDED: \$225 Per-Transaction Recording Fee (Transfer Tax):
C.A.R. stands ready to fight any future proposals!

AVOIDED: 3% independent contractor withholding: 3 times
within the last 5 years the legislature has proposed an accelera-
tion of income tax payment in the form of 3% withholding.

AVOIDED: Service Tax: Sales tax on services including ALL real
estate related services.

THE BAD:

GSE & MORTGAGE REFORM: This could significantly increase
down payment requirements, limit the amount of mortgage
money available, and raise interest rates!

POINT-OF-SALE: Point-of-sale mandates are always a threat...
stayed tuned!

INCREASED RECORDING FEES: This will return as the state
struggles to find revenues to replace expended one time
housing bond monies with an ongoing revenue stream.

THE UGLY:

What will your business look like if these threats become a
reality?

Political contributions are not tax deductible as charitable contributions for federal and state income tax purposes. Contributions to the REALTOR® Action Fund are voluntary, and the amounts above are only guidelines; you may give more, less or nothing at all. Failure to contribute will not affect an individual's membership status in the California Association of REALTORS® (C.A.R.). Contributions will be allocated among three of C.A.R.'s political action committees (PACs), according to different formulas approved by C.A.R. for personal and corporate contributions. These PACs are: CREPAC (supports state and local candidates); CREPAC/Federal (supports federal candidates); and CREIEC (makes independent expenditures in support of or opposition to candidates). C.A.R. also sponsors IMPAC which supports local and state ballot measures and other issues that impact real property in California. The allocation formula may change including re-designating a portion to IMPAC.
