

Regional Representatives Updates

To: All Professional Standards Committee Regional Representatives
From: 2008 Professional Standards Committee Leadership

As you know, from time to time we ask you to bring a report from your region to the Committee. For our Thursday, June 5, 2008, meeting, we are requesting, from each Regional Representative, a report specifying whether your region has experienced an increase in ethics and arbitration filings as a result of the downturn in the market.

It would be very helpful, if, in addition to your verbal report, you could prepare a short written report to hand over to your 2008 leadership at the end of the meeting.

The question for you is:

Has your region experienced an increase in ethics and arbitration filings as a result of the downturn in the real estate market?
