STATEMENT

I settle cases. With 35 years experience in trying and mediating cases, I know what works and what doesn't work. I lost only 7 of 2500 cases and my mediation record is better.

I have a strong analytical approach as well as emotional sense to get to the real issues. I believe in having the parties have their say and express their emotions, goals and desires.

By Doing Zoom Mediations, we spend time working not in traffic. We can adjourn and reconvene as needed.
