

MEDIATOR PROFILE – William A. Muñoz

EDUCATION

University of California, Davis – B.S. Chemistry 1991
Hamline University School of Law – J.D. *cum laude* 1997

PROFESSIONAL EXPERIENCE

Mr. Muñoz is a trial attorney with 27 years of litigation experience primarily in the defense of professionals including real estate agents and brokers, real estate appraisers, property management professionals, lawyers, accountants, insurance agents and brokers.

For the past several years, in addition to my litigation practice, I have acted as a Dispute Resolution Conference judge for El Dorado County Superior Court, judge pro tem for Sacramento County Superior Court's Settlement Conference Department, and more recently, a mediator for the Third District Court of Appeals Mediation Program successfully resolving disputes at both the trial court and appellate court level.

In 2021, I started my own mediation practice, Muñoz Dispute Resolution, because I grew to appreciate the value of early resolution in bringing satisfaction and closure to clients. My approach is further informed by the renowned Straus Institute for Dispute Resolution at Pepperdine University Caruso School of Law mediation training program and the National Conflict Resolution Center mediation training program.
