CPA	Commercial Purchase Agreement and Joint Escrow Instructions		Cooperating broker compensation language removed from Real Estate Broker Section, Escrow Instruction paragraph and request for seller to pay buyer broker compensation paragraphs.
DM-BR	Disclosure and Modification to Buyer Representation Agreement	NEW	This form is used to modify a buyer representation agreement in effect before July 24, 2024. It informs the buyer that the broker can no longer accept compensation that exceeds the amount specified in the BRBC once a NAR proposed settlement is implemented, on August 17, 2024 or sooner if restriction earlier adopted by MLS. Brokers who entered a BRBC with the expectation of collecting any overage from the listing broker will have to either modify the compensation term using an MT-BR plus an addendum, get a new BRBC form signed, or work for less than previously anticipated.
DM-LA	Disclosure and Modification to Listing Agreement	NEW	This form is used to modify a listing agreement in effect before July 24, 2024. It informs the seller that offering compensation through the MLS will be prohibited once a NAR proposed settlement is implemented on August 17, 2024 or earlier if MLS adopts required changes before. The form should be used prior to the expected July 2024 implementation date.
LL	Lease Listing Agreement		Language regarding cooperating broker compensation removed from all parts of the form. Only addresses compensation from a property owner to the lease listing broker.
MLSA	Multiple Listing Service Addendum	NEW	This addendum incorporates language previously in listing agreement about advantages of MLS, and risks of opting out of MLS. Paragraph 5 addresses seller concessions with an explanation and a default that seller does not authorize broker to advertise in MLS that seller will consider concessions.
MT-BR	Modification of Terms – Buyer Representation Agreement	NEW	This form should be used to document a change in the buyer representation agreement. Preprinted language allows for changes to expiration date and compensation. This form could be used in addition to the DM-BR if the broker

			believes that a previous BRBC was entered into at too low of a compensation rate.
MT-LA	Modification of Terms - Listing Agreement	NEW	This form should be used to document a change in the listing agreement. Preprinted language already allowed for changes to price and expiration date, and new preprinted language allows for compensation to be changed.

OHNA-SI	Open House Visitor Non-Agency Disclosure and Sign-In	NEW	One of the terms of the NAR proposed settlement is that agents "working with" a buyer need to have a buyer representation agreement prior to showing a property. The OHNA informs visitors that they are not in an agency relationship with the listing brokerage, and therefore not "working with" the brokerage. If the visitor already has another broker working on their behalf, then the listing agent would want to be informed of who the other agent is to avoid conflicts and to allow the listing agent to follow up without violating the Code of Ethics. The form doubles as a sign-form for visitors to an open house.
PSRA	Property Showing and Representation Agreement	NEW	This form creates a written representation agreement with a buyer. It is valid for only 3 properties, it creates a non-exclusive relationship, and has a representation period not exceeding 30 days.

Paragraph 3 allows buyer's broker, not just escrow, to reveal compensation to seller. The last page of the revised BRBC can be used to satisfy the obligation. Paragraph 4 makes buyer's broker a third-party beneficiary of the seller's agreement to pay buyer's broker which should give broker a right to pursue the seller if payment is not made.
