The CALIFORNIA ASSOCIATION OF REALTORS® Housing Affordability Fund (HAF) receives donations from members, non-members, and other institutions that are committed to addressing the housing challenges in California. It distributes these resources through local Associations who have submitted funding requests for local programs that address housing affordability and/or housing supply directly. In order to have the maximum impact, HAF seeks to leverage its funds with local Associations and their housing partners.

Please read the entire application carefully before submitting.

IMPORTANT: Local Associations must attach a copy of local Association minutes which authorized this request for funds.

To avoid delays in processing requests, please be sure the information below is complete and accurate. **INCOMPLETE FORMS WILL BE RETURNED FOR FURTHER INFORMATION.** Requests for funds will be received on an ongoing basis throughout the year. **Request applications are due 7 weeks prior to C.A.R.'s Business Meetings.** The review process will typically take 30 to 45 days from the date on which a request is received. C.A.R.'s HAF funds **SHALL NOT** be used to support or oppose the following:

- 1.) Ballot Measure Campaigns;
- 2.) REALTOR® Issue Mobilization Campaigns;
- 3.) Dues and Contributions to Coalitions;
- 4.) Receptions/Events/Conferences;

C.A.R.'s HAF funds must be used for charitable purposes that support HAF's mission to play an active role in addressing the ongoing housing affordability crisis facing our state by promoting homeownership and addressing housing affordability issues statewide. The term charitable is used in its generally accepted legal sense and includes, but is not limited to, relief of the poor, the distressed, or the underprivileged; advancement of religion; advancement of education or science; erection or maintenance of public buildings, monuments, or works; lessening the burdens of government; lessening of neighborhood tensions; elimination of prejudice and discrimination; defense of human and civil rights secured by law; and combating community deterioration and juvenile delinquency.

HAF GUIDING PRINCIPLES

The Committee agreed to base its decisions upon the following guiding principles:

- In general, all programs should require matching funds to leverage HAF funds. This includes grants to local Associations. For example, a local Association could request funds from HAF for a project, but it should be able to obtain matching funds from other entities such as lenders, government, non-profits or other housing advocates.
- Where possible, funds should be recoverable.
- A REALTOR®'s services should be encouraged in all home purchase transactions. This will require that REALTORS® become familiar with both HAF and the programs offered by C.A.R.'s HAF partners.
- In general, submitted funding requests for local programs should address housing affordability and housing supply directly.
- When local Associations request funds from HAF for a project, preference may be given to local associations who: (i) have not submitted a grant request within the last three years from **the date of submitting this application**; (ii) have included HAF on their Dues Billing Statement in both the current year and prior year; (iii) have supported HAF by, among other things, donations and sponsorships during **the current year and prior year**; and (iv) are making grant requests that do not exceed \$50,000.

SELF-HELP PROJECT GUIDELINES

At no time will HAF commit more than 10% of the remaining 25% total annual disbursement to Self Help projects (including Habitat for Humanity). Request for funds will not exceed the LESSER of: A) \$50,000, or B) 10% of total existing funds. However, if a Regional approach with a majority of associations develops a large Habitat program, HAF may grant funds up to 10% of total existing funds. In addition, HAF may consider granting a larger sum with consent of the Board of Directors.
