

IT'S GOOD TO BE A CA REALTOR®

JUNE 2022

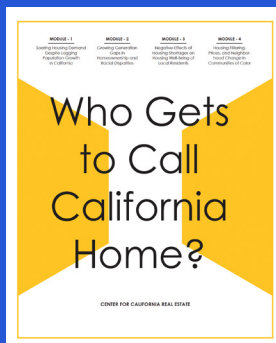

THIS MONTH, WE WANT TO MAKE SURE
THESE MEMBER BENEFITS ARE ON YOUR RADAR

Symbium

Search, edit, and see what's possible on any property with this free digital tool.

Symbium is a free property information portal that enables real estate agents to visualize what's built and what's allowed on any California property. Access the tool via C.A.R.'s REALTOR® Secure Transaction page.

Exclusive CCRE Report: Who Gets To Call California Home?

This new research sponsored by CCRE, in partnership with leading demographer Dowell Myers from USC's Sol Price School of Public Policy and the Population Dynamics Research Group, covers dimensions of the housing crisis previously unexplored with independent research that addresses the heart of effective and equitable policies to improve the well-being of all Californians.

PROPERTY MANAGEMENT CONFERENCE

Free virtual conference to highlight the benefits of having a property management business.

The conference is a chance to hear from leading names in property management on how they built their business, key guidance from professionals in the property management industry, and how to find the resources to support your property management business. Join us on June 29 from 9 a.m. – 12:30 p.m.

REALTOR® Safety

Stay Alert. Stay Safe. Safety Tips.

C.A.R. advises members to work in pairs during open houses and showings, whenever possible.

View the below safety video for tips on staying safe while showing homes, meeting clients and holding open houses. And access NAR's resources available on its website.
