STATEMENT:

As an experienced mediator, negotiator and litigator, I appreciate the benefits of resolving conflicts in lieu of trial. My goal is to help each party listen and communicate to contribute their ideas toward resolution of their contested matter. I aim to deter parties from wasting (more) time, money and energy on the conflict at issue. I appreciate interpersonal relationships and understand legal aspects of Real Estate Law, Contract Law and disputes. Let me help you bridge the gap to move from a dispute and onto greener pastures.
